Dear Ellie Mackintosh

Re: Petition for Buckland Road 60km/hr speed limit.

I have another 18 petitions to present to Matamata Piako District Council; 7 are from residence on the road and 11 are from various people that travel the road often for their business or jobs.

Kind Regards

Rachael Gordon

0272146010

# PETITION to stop:

# Buckland Road 60km/hr speed limit reduction

As you may be aware on May 3rd 2021 Matamata Piako District Council are changing the speed limit on our road. From the Waipa boundary to 600m Cambridge side of Hobbiton it is changing to 60km/hr and from there heading towards Matamata it is changing to 80km/hr.

Please can you consider supporting this petition as 60km/hr is incredibly slow and after seeking feedback from other residence on our road the feeling is mutual. I will collect these letters from your mail box late afternoon on Thursday 15th April and deliver them to MPDC.

If you have any further questions please feel free to contact me on 0272146010

Thank you for your time Rachael Gordon

.....

13th April 2021

I/We agree that Buckland Road should have a constant speed limit of 80km/hr from the Waipa District Boundary to the start of Buckland Road and NOT a stretch at 60km/hr between the Waipa boundary and 600m Cambridge side of Hobbiton.

Print Name: Jacqui & Alan Hogg.

Address: 1135 Buckland Rd
R.D.4 CAMBRIDGE.

Signature:

Any further comments:
If the speed limit needs to be reduced, please reduce it to a more reasonable 80 Km/hr. 60 Km/hr is just far too slow and unnecessary.

This in not a ~~fcact~~ practical move.
I use this road frequently. The contour of the road dictates the speed at which one can travel safely without imposing speed limits.
