Terms and conditions:

I understand by making this application that I am willing to accept/comply with the following conditions

- Application for a new/upgraded vehicle crossing not part of a subdivision or building consent set fee $416.00 (inc GST) is required for approval and inspection of this application,
- The fee must be paid when submitting the application.
- The crossing shall be constructed at the expense of the owner/applicant.
- The location of the crossing shall be approved by the Council prior to construction.
- The installation of the crossing shall be constructed to Councils standards and specifications.
- I shall provide a completed copy of this form to my appointed contractor upon engagement.
- I shall comply fully with the conditions on this consent form.
- That prior to undertaking any work within either the formed or unformed road corridor, the consent holder shall submit a Corridor Access Request (CAR) that includes a Traffic Management Plan (TMP) through *beforeudig.co.nz* which has been prepared by a Practicing

Temporary Traffic Management Planner. No works must be undertaken within the road reserve until such time as the CAR is approved by Council in writing. *Advice Note:* *Worksites within the formed and / or unformed road corridor must be made safe at all times for pedestrians, road users, and contractors through the implementation of the Traffic Management Plan (TMP) approved during the Corridor Access Request process.*	
Signature of property owner/agent:	**Date:** / /
