DECISION ON THE PAPERS

This is an application by Malolo Holdings Limited for renewal of an off-licence in respect of premises situated at 3 Tainui Street, Matamata known as Super Liquor Matamata. The general nature of the business is that of a Bottle store.

This application was lodged on 28 August 2023 and was advertised in accordance with s.101 of the Act, in the Scene on 5 and 12 September 2023. No objections were received.

The days and hours of operation set out in the application are:

Monday to Sunday from 7.00 am until 9.00 pm

These hours of operation comply with the requirements of the provisional Local Alcohol Policy.

The application was referred to the Police, Medical Officer of Health and Inspector for comment.

As of 13 October 2023 a report has not been received from the Police. The District Licensing Committee can assume the Police did not have any objections to the application. The Police had until the 18th of September 2023 to respond.

Police have not raised any matters that need consideration in the renewal of this licence.

The health Promotion officer initially had some concerns and opposed the application, the issues raised were rectified and the opposition was withdrawn.

The applicant has not come to the attention of reporting agencies. Accordingly the application is determined on the papers.

The applicant, in accordance with s. 212 of the Act, has named six managers with current certificates to manage the sale of alcohol from the premises.

In deciding whether to renew an off-licence the committee must have regard to the matters set out in s.105 and 131 of the Act. These are:

Section 105

- (a) *the object of this Act:*
- (b) *the suitability of the applicant:*
- (c) *any relevant local alcohol policy:*
- (d) *the days on which and the hours during which the applicant proposes to sell alcohol:*
- (e) *the design and layout of any proposed premises:*
- (f) *whether the applicant is engaged in, or proposes on the premises to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods:*
- (g) *whether the applicant is engaged in, or proposes on the premises to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:*
- (h) *whether the applicant has appropriate systems, staff, and training to comply with the law:*
- (i) *any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made under section 103*

Section 131

- (a) *whether (in its opinion) the amenity and good order of the locality would be likely to be increased, by more than a minor extent, by the effects of a refusal to renew the licence:*
- (b) *any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made by virtue of section 129:*
- (c) *the manner in which the applicant has sold (or, as the case may be, sold and supplied), displayed, advertised, or promoted alcohol.*

The object of the Act is that the sale, supply and consumption of alcohol should be undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol should be minimised.

The Inspector has noted that he considers the applicant to be a suitable body to hold an off-licence. He has also noted that in his opinion the amenity and good order of the locality would be unlikely to be increased by more than a minor extent by the effects of a refusal to renew the licence.

I am satisfied as to those matters to which I must have regard and grant the renewal of the off-licence for a further three years.

When renewing an off-licence, section 132 allows the committee to impose conditions as set out in section 116 or to vary or cancel any conditions applying to the licence before its renewal.

The renewal certificate can be issued immediately.
