DECISION ON THE PAPERS

This is an application by GM Hospitality Limited for renewal of their on-licence in respect of a premises situated at 46 Canada Street, Morrinsville known as the Chambers Bar and Grill. The general nature of the business is that of a Restaurant.

The application was filed on 22 February 2021 and was advertised in accordance with the Act, in the Piako Post on 24 & 31 March 2021. No public objections were received.

The days and hours of operation set out in the application are:

Monday to Sunday from 10.00 am until 1.00 am the following day

These days and hours are the same as the existing licensed hours and comply with the requirements of Council's Provisional Local Alcohol Policy as it applies to this type of premises.

The applicant initially wanted to extend the hours to 2.00 am and advertised these hours. The applicant was informed those hours do not comply with the LAP. He agreed to keep the current days and hours.

The application was referred to the Police, Medical Officer of Health and Inspector for comment. No matters in opposition have been raised in respect of the application. Accordingly the application is determined on the papers.

The applicant, in accordance with s.212 of the Act, has named two managers with a current certificate to manage the sale of alcohol from the premises.

In deciding whether to renew an on-licence the committee must have regard to the matters set out in s.105 and s.131 of the Act. These are:

Section 105

- (a) *the object of this Act:*
- (b) *the suitability of the applicant:*
- (c) *any relevant local alcohol policy:*
- (d) *the days on which and the hours during which the applicant proposes to sell alcohol:*
- (e) *the design and layout of any proposed premises:*
- (f) *whether the applicant is engaged in, or proposes on the premises to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods:*
- (g) *whether the applicant is engaged in, or proposes on the premises to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:*
- (h) *whether the applicant has appropriate systems, staff, and training to comply with the law:*
- (i) *any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made under section 103*

Section 131

- (a) *whether (in its opinion) the amenity and good order of the locality would be likely to be increased, by more than a minor extent, by the effects of a refusal to renew the licence:*
- (b) *any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made by virtue of section 129:*
- (c) *the manner in which the applicant has sold (or, as the case may be, sold and supplied), displayed, advertised, or promoted alcohol.*

The object of the Act is that the sale, supply and consumption of alcohol should be undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol should be minimised.

The Inspector has noted that he considers the applicant, GM Hospitality Limited, to be suitable to hold an on-licence. He has also noted that in his opinion the amenity and good order of the locality would be unlikely to be increased by more than a minor extent by the effects of a refusal to renew the licence.

I am satisfied as to those matters to which I must have regard and grant the renewal of the on-licence for a further three years.

The renewal certificate can be issued immediately.
