These events are considered to be consistent with the Sale and Supply of Alcohol Act 2012, the Matamata-Piako District Council's Provisional Local Alcohol Policy and its current Liquor Licensing Policy.

The application was referred to the Police, Medical Officer of Health and Inspector for comment. The Medical Officer of Health initially opposed the application, this was for the event dated Sunday 22 September 2019, a Car boot Sale.

This event has now been withdrawn, and the opposition was also withdrawn.

One other event failed to meet the required 20 working days for a special licence, this was also removed from the application as was only 12 working days.

No matters in opposition have been raised in respect of the application. Accordingly the application is determined on the papers.

In deciding whether to issue a special licence a committee must have regard to the matters set out in s.142 of the Act. These are:

- a) *the object of this Act:*
- b) *the nature of the particular event for which the licence is sought*
- c) *the suitability of the applicant:*
- d) *any relevant local alcohol policy:*
- e) *whether the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:*
- f) *the days on which and the hours during which the applicant proposes to sell alcohol:*
- g) *the design and layout of the premises concerned:*
- h) *whether the applicant has appropriate systems, staff and training to comply with the law:*
- i) *any areas of the premises that the applicant proposes should be designated as restricted areas or supervised areas:*
- j) *any steps the applicant proposes to take to ensure that the requirements of this Act in relation to the sale and supply of alcohol to prohibited persons are observed:*
- k) *the applicant's proposals relating to the sale and supply of low alcoholic, and non-alcoholic drinks, the provision of food and information about alternative forms of transport from the premises:*
- l) *any matters dealt with in any report from the Police, the Medical Officer of Health, or an Inspector.*

The object of the Act is that the sale, supply and consumption of alcohol should be undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol should be minimised.

The Inspector has noted that the Club has held a number of special licence events in the past and that no issues have been raised in respect of those previous events. He has also noted that in his opinion the sale and supply of alcohol at these events will not reduce the amenity and good order of the locality by more than a minor extent.

I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence.

Certificated managers have been identified by the applicant to manage the sale and supply of alcohol at this event.

The licence will be subject to the following conditions.
