---	----------

Notes:

1	All fees stated are inclusive of GST.
2	Should any particular job significantly exceed the set fee, an additional charge based on actual time will be payable.
3	Fixed charges are payable on application. At the end of processing, inspection fees and additional levies may be payable.
4	Building consent fees include the cost of the Code Compliance Certificate.
5	We may be required to collect the following fees on behalf of others: Building Research Association Levy For every building consent with an estimated building value of \$20,000 and over, \$1.00 per \$1,000 is payable. (NB: GST is not applicable to this levy) Department of Building and Housing Levy For every building consent with an estimated building value of \$20,000 and over, \$2.01 per \$1,000 is payable. (NB: GST is included in this levy) Development Contributions Please be aware that there could be a development contribution fee included in the fees for your building project. Development contributions are payable under the Local Government Act for some projects. A Code Compliance Certificate will not be issued until the Development Contributions applicable to the project are paid in full. This can be paid either at the uplifting of the building consent or before the Code Compliance Certificate is issued. (NB: Development Contributions are inflation adjusted at 1 July each year.)
6	Cancelled consents: Building consents cancelled prior to the first inspection being carried out will be refunded the charge already paid, less the cost of the work already undertaken.

Development Contributions

Development contributions per Household Equivalent Unit (HEU) for 2011/12

Area

Matamata Ward	Stormwater	\$3323.10
	Wastewater	\$2629.30
	Water	\$1983.31

Morrinsville Ward	Stormwater	\$1051.72
	Wastewater	\$3068.14
	Water	\$2151.25

Te Aroha Ward	Stormwater	\$2009.06
	Wastewater	\$5364.10
	Water	\$2351.05

Roading	\$2922.26
---------	-----------

Parks/ Reserves	\$1201.16
-----------------	-----------

Note: A HEU means an average residential dwelling occupied by a household of average size. See the 2009 Development Contributions Policy in Volume Two of the 2009-2019 LTCCP for the process of calculating development contributions and converting non-residential activities to HEUs.

Rural DC's are made up of Roothing + Parks/Reserves, if services are approved then the relevant Services DC will also be assessed.

Note: Parks/Reserves contributions are collected through the District Plan not the Development Contributions Policy.

Roading

Overweight/High productivity vehicle permit application

--	--	---------

Waste (solids)

Transfer station - Matamata & Morrinsville & Waihou

Charges are based on weight rather than volume.
All vehicles will pass over a weigh bridge and a fee is applied accordingly to the weight of the refuse or green waste.
A minimum charge will be applied for small loads. See table below.
There is no charge for refuse in official Matamata-Piako District Council refuse bags.
