DECISION ON THE PAPERS

This is an application by Te Aroha Golf Club Incorporated for renewal of their club licence in respect of a premises situated at 5122 State Highway 26, RD 2 Te Aroha known as the Te Aroha Golf Club. The general nature of the premises is that of a Golf Club.

The application was filed on 5 September 2019 therefore the criteria under s.131 of the Sale and Supply of Alcohol Act 2012 will apply.

The application was advertised in accordance with the Act, in the Piako on 2 October 2019. No objections were received.

Section 37 (2)(b) of the Sale and Supply of Alcohol Regulations 2013 relates to the manner of publication of public notice of applications for renewals of licences for premises or conveyance in very low-risk or low-risk fees category if published in a newspaper, one publication is sufficient.

The days and hours of operation set out in the application are:

Monday to Friday from 10.00 am until 10.00 pm
Saturday & Sunday from 10.00 am until 12.00 midnight

These are the hours permitted under the Club's existing licence and these hours comply with the requirements of the Council's provisional Local Alcohol Policy as it applies to this type of premises.

A handwritten signature in black ink, appearing to be "AW".

The application was referred to the Police, Medical Officer of Health and Inspector for comment. No matters in opposition have been raised in respect of the application. Accordingly the application is determined on the papers.

The applicant, in accordance with s.212 of the Act, has named two managers with a current certificate to manage the sale of alcohol from the premises.

In deciding whether to renew a licence the committee must have regard to the matters set out in s.105 and 131 of the Act. These are:

Section 105

- (a) *the object of this Act:*
- (b) *the suitability of the applicant:*
- (c) *any relevant local alcohol policy:*
- (d) *the days on which and the hours during which the applicant proposes to sell alcohol:*
- (e) *the design and layout of any proposed premises:*
- (f) *whether the applicant is engaged in, or proposes on the premises to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods:*
- (g) *whether the applicant is engaged in, or proposes on the premises to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:*
- (j) *whether the applicant has appropriate systems, staff, and training to comply with the law:*
- (k) *any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made under section 103*

Section 131

- (b) *whether (in its opinion) the amenity and good order of the locality would be likely to be increased, by more than a minor extent, by the effects of a refusal to renew the licence:*
- (c) *any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made by virtue of section 129:*
- (d) *the manner in which the applicant has sold (or, as the case may be, sold and supplied), displayed, advertised, or promoted alcohol.*

The object of the Act is that the sale, supply and consumption of alcohol should be undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol should be minimised.

The Inspector has noted that he considers Te Aroha Golf Club Incorporated to be a suitable body to hold a club licence. He has also noted that in his opinion the amenity and good order of the locality would be unlikely to be increased by more than a minor extent by the effects of a refusal to renew the licence.

I am satisfied as to those matters to which I must have regard and grant the renewal of the club licence for a further three years.

When renewing a licence, s.132 allows the District Licensing Committee to impose conditions as set out in s.116 or to vary or cancel any conditions applying to the licence before its renewal. I have varied the conditions to more closely align with the objectives of the new Act and the club licence is now subject to these conditions.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act, specifically sections 46 to 63 as they may apply to this licence and s.231(1). A copy of these sections is attached for the applicant's information.

The renewal certificate can be issued immediately.

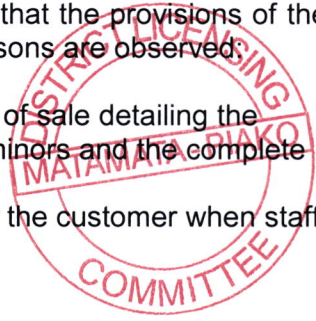

The licence is subject to the following conditions:

- (a) Alcohol may be sold only on the following days and during the following hours:

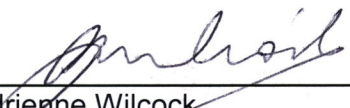

Monday to Friday 10.00 am until 10.00 pm
Saturday & Sunday 10.00am until 12.00 midnight
