INTRODUCTION

This statement is presented by the Directors in accordance with s.64 (1) of the Local Government Act 2002 and sets out the Board's intentions for the Company and Group for the year ending 30 June 2023 and succeeding two financial years.

COVID-19 and the WRAL Group

The COVID-19 pandemic resulted in world-wide crises: from health, to social and economic devastation. The ongoing impact on the WRAL Group has been significant, as the Group is primarily aviation and tourism-focused.

Fortunately, the Group's existing 10-year strategy already had a focus on non-aeronautical income diversification activities which will continue to be critical to our future. Our property initiatives served us well through the initial COVID-19 crisis period and the uncertainty through 2022/2023. We expect property initiatives will continue to provide a level of support to the Group, minimising future economic volatility, whilst aviation and tourism fully recover.

KEY OBJECTIVES OF THE GROUP

The Group incorporates Hamilton Airport, Titanium Park Limited, Hamilton & Waikato Tourism Limited and Waikato Regional Airport Hotel Limited.

1. Operate an efficient, compliant and resilient airport.
2. Provide an improved customer experience upon completion of the Terminal Resilience Project.
3. Maintain a viable aeronautical business.
4. Maximise revenue diversification through non-aeronautical business opportunities.
5. Develop and optimise the land holdings of the Group to generate a long-term income from a diversified property portfolio.
6. Operate the airport hotel to return to its investment business case growth targets and customer satisfaction targets.
7. Marketing the Hamilton & Waikato region as a visitor destination to domestic and international visitors.
8. Assist recovery of the visitor economy through tourism development and destination management.

Nature and scope of activities to be undertaken

1. Operate an efficient and compliant airport.

Operate a first class, safe and compliant regional airport by providing for essential projects, together with any compliance expenditure warranted.

2. Enhance the traveller experience.

Maximise traveller satisfaction and airport experience.

3. Maintain a viable aeronautical business.

The COVID-19 pandemic has painted a very different canvas for the aviation sector over the next few years.

We will:

- Assist airlines to identify opportunities to increase flight schedules and passenger numbers.
- Promote the recovery and new development opportunities of the general aviation sector.
- Develop and implement a plan to give effect to, or seek renewal of the runway extension designation.
- Position and protect the airport as an efficient, cost effective international port of arrival.
- Pursue new international air service opportunities (both charter and scheduled services) as New Zealand's international borders open up.

- Remain collaborative with local authorities and central government agencies for joint infrastructure and transport initiatives.
- Identify sources and monitor carbon and emissions. Incorporate reduction initiatives into capital projects.

4. Maximise revenue diversification through non-aeronautical business opportunities.

Support the development of land within the bounds of a sound, strategic approach to long-term planning for the airport precinct.

- Titanium Park Ltd will continue marketing for sale, development and optimised investment, all available non-aeronautically strategic land in a planned and co-ordinated approach.
- In conjunction with the hotel manager, maximise the recovery plan and earnings of the recently acquired and upgraded airport hotel business upon completion of the Managed Isolation Facility contract.

5. Ensure appropriate internal and external resource to enable a commercially driven and high performing organisation.

Knowledgeable and capable, high performing and appropriately resourced personnel to ensure sound reporting and accountability, and delivery of the strategic plan.

In pursuing its goals, the Group will:

- At all times behave in a professional and ethical manner in all its business dealings with its customers and stakeholders.
- Be an employer of choice.
- Ensure a safe and healthy workplace environment that complies with legislation and fosters the wellbeing of its employees.
