The application is made under Section 127 of the Sale and Supply of Alcohol Act 2012. The application was advertised in accordance with the Act, in the Scene on 30 January 2023. No objections were received.

Section 37 (2)(b) of the Sale and Supply of Alcohol Regulations 2013 relates to the manner of publication of public notice of applications for renewals of licences for premises or conveyance in very low-risk or low-risk fees category if published in a newspaper, one publication is sufficient.

This application falls within that category.

Section 101 of the Act state that the applicant must within 20 working days after the filing of the application make public notice.

The application was filed on the 23rd of November 2023, 20 working days after the filing was the 16th of January 2024. The time period being due to the statutory close down period.

Section 208 of the Act states:

The reason for the late publication was due to the applicant forgetting to do it. The oversight was not wilful nor negligent.

The days and hours of operation set out in the application are:

Tuesday to Sunday from 2.00 pm until 10.00 pm

These hours differ from those on the existing licence, however they comply with the requirements of the Council's provisional Local Alcohol Policy, as it applies to this type of premises.

The hours also differ from those on the application form, the hours shown above are those advertised, and they have been confirmed by the applicant as the hours wanted.

The application was referred to the Police, Medical Officer of Health and Inspector for comment. No matters in opposition have been raised in respect of the application. Accordingly the application is determined on the papers.

The applicant, in accordance with s.212 of the Act, has named two managers with current certificates to manage the sale of alcohol from the premises.

In deciding whether to renew a licence the committee must have regard to the matters set out in s.105 and 131 of the Act. These are:

- (b) *the suitability of the applicant*
