DECISION ON THE PAPERS

This is an application by Bewitched Investments Limited for renewal of an off-licence in respect of premises situated at 38 Broadway, Matamata known as Liquorland Matamata. The general nature of the business is that of a bottle store.

This application was lodged on 7 July 2022 and was advertised in accordance with s.101 of the Act, in the Matamata Chronicle on 6 and 13 July 2022. No objections were received.

The days and hours of operation set out in the application are:

Monday to Sunday from 9.00 am until 9.00 pm

These hours comply with requirements of the Local Alcohol Policy, as it applies to the premises type.

The application was referred to the Police, Medical Officer of Health and Inspector for comment. No matters in opposition have been raised in respect of the application. Accordingly the application is determined on the papers.

The applicant, in accordance with s. 212 of the Act, has named four managers with current certificates to manage the sale of alcohol from the premises.

In deciding whether to renew an off-licence the committee must have regard to the matters set out in s.105 and 131 of the Act. These are:

Section 105

(a) *the object of this Act:*

- (b) *the suitability of the applicant:*
- (c) *any relevant local alcohol policy:*
- (d) *the days on which and the hours during which the applicant proposes to sell alcohol:*
- (e) *the design and layout of any proposed premises:*
- (f) *whether the applicant is engaged in, or proposes on the premises to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods:*
- (g) *whether the applicant is engaged in, or proposes on the premises to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:*
- (h) *whether the applicant has appropriate systems, staff, and training to comply with the law:*
- (i) *any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made under section 103*

Section 131

- (a) *whether (in its opinion) the amenity and good order of the locality would be likely to be increased, by more than a minor extent, by the effects of a refusal to renew the licence:*
- (b) *any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made by virtue of section 129:*
- (c) *the manner in which the applicant has sold (or, as the case may be, sold and supplied), displayed, advertised, or promoted alcohol.*

The object of the Act is that the sale, supply and consumption of alcohol should be undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol should be minimised.

The Inspector has noted that he considers the applicant to be a suitable body to hold an off-licence. He has also noted that in his opinion the amenity and good order of the locality would be unlikely to be increased by more than a minor extent by the effects of a refusal to renew the licence.

I am satisfied as to those matters to which I must have regard and grant the renewal of the off-licence for a further three years.

When renewing an off-licence, section 132 allows the committee to impose conditions as set out in section 116 or to vary or cancel any conditions applying to the licence before its renewal.

The renewal certificate can be issued immediately.
