DECISION ON THE PAPERS

This is an application by Rose Allan Limited for an on-licence in respect of a premises situated at 98 Broadway, Matamata known as the Loft Hair & Co. The general nature of the premises is that of a Hairdresser.

The days and hours which the applicant proposes to sell alcohol are:

Monday, Tuesday, Friday, Saturday from 10.00 am until 5.00 pm
Wednesday and Thursday from 10.00 am to 8.00 pm

These days and hours are consistent with the requirements of Council's Provisional Local Alcohol Policy, as it applies to this type of premises.

This application was lodged on 17 August 2022 and was advertised in accordance with s.101 of the Act, in the Scene on 16 August and 9 November 2022. No public objections were received.

The second publication should have been advertised no later than the 26 August 2022.

Section 208 of the Act states

Where any person has neglected or omitted to do any act or thing in the precise manner or within the precise time pre-scribed by this Act, the licensing authority or (as the case may require) the licensing committee or the chairperson, if satisfied that the neglect or omission was not wilful, may waive the same on such terms as they think equitable.

The reason given for the non-compliance falls within Section 208. The applicant was informed by Council staff that only one publication was required. That information was incorrect. The omission was not wilful.

The application was referred to the Police, Medical Officer of Health and Inspector for comment as required by s.103. None of the reporting agencies have raised any matters

in opposition to the application. The certificates required by s.100(d) and (f) have been received.

The criteria that must be considered in determining an on-licence are set out in s.105 of the Sale and Supply of Alcohol Act 2012. These are:

- a) *the object of this Act*
- b) *the suitability of the applicant*
- c) *any relevant local alcohol policy*
- d) *the days on which and the hours during which the applicant proposes to sell alcohol*
- e) *the design and layout of any proposed premises*
- f) *whether the applicant is engaged in, or proposes on the premises to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods*
- g) *whether the applicant is engaged in, or proposes on the premises to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services*
- h) *whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, to more than a minor extent, by the effects of the issue of the licence*
- i) *whether (in its opinion) the amenity and good order of the locality are already so badly affected by the effects of the issue of existing licences that—*
- j) *they would be unlikely to be reduced further (or would be likely to be reduced further to only a minor extent) by the effects of the issue of the licence; but it is nevertheless desirable not to issue any further licences*
- k) *whether the applicant has appropriate systems, staff, and training to comply with the law*
- l) *any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made under section 103*

The object of the Act is that the sale, supply and consumption of alcohol should be undertaken safely and responsibly and the harm caused by the excessive or inappropriate consumption of alcohol should be minimised.

The Licensing Inspector reporting on the application has stated in his report that in his opinion the applicant has the necessary experience and is suitable to operate a licensed premises. He has also noted that in his opinion the amenity and good order of the locality would not be likely to reduce by more than a minor extent if the licence is issued. His recommendation is for the application to be granted subject to conditions.

I am satisfied as to those matters to which I must have regard and grant the applicant an on-licence for a period of 1 year pursuant to s104.

The applicant's attention is drawn to s.259 of the Act which makes it an offence to not comply with certain requirements and restrictions imposed by or under this Act, specifically sections 46 to 57 as they apply to an on-licence and 231(1)

The applicant must comply with all conditions specified on the licence.
