DECISION ON THE PAPERS

This is an application by Redoubt Enterprises Limited for renewal of their on-licence in respect of a premises situated at 48 Broadway, Matamata known as the The Redoubt Bar & Eatery Matamata. The general nature of the business is that of a Bar and Eatery.

The application was filed on 18 February 2022 and was advertised in accordance with the Act, in the Scene on 29 March and 5 April 2022. No public objections were received.

The days and hours of operation set out in the application are:

Monday to Sunday from 7.00 am until 1.00 am the following day

These hours are different from the hours in the current licence; the earlier opening time will allow the premises to operate when the All Blacks have an overseas game. The hours sought comply with the requirements of the Local Alcohol Policy, as it applies to the premises type.

The application was referred to the Police, Medical Officer of Health and Inspector for comment. No matters in opposition have been raised in respect of the application. Accordingly the application is determined on the papers.

The applicant, in accordance with s.212 of the Act, has named five managers with current certificates to manage the sale of alcohol from the premises.

In deciding whether to renew an on-licence the committee must have regard to the matters set out in s.105 and s.131 of the Act. These are:

Section 105

- (a) *the object of this Act:*
- (b) *the suitability of the applicant:*
- (c) *any relevant local alcohol policy:*
- (d) *the days on which and the hours during which the applicant proposes to sell alcohol:*
- (e) *the design and layout of any proposed premises:*
- (f) *whether the applicant is engaged in, or proposes on the premises to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods:*
- (g) *whether the applicant is engaged in, or proposes on the premises to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:*
- (h) *whether the applicant has appropriate systems, staff, and training to comply with the law:*
- (i) *any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made under section 103*

Section 131

- (a) *whether (in its opinion) the amenity and good order of the locality would be likely to be increased, by more than a minor extent, by the effects of a refusal to renew the licence:*
- (b) *any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made by virtue of section 129:*
- (c) *the manner in which the applicant has sold (or, as the case may be, sold and supplied), displayed, advertised, or promoted alcohol.*

The object of the Act is that the sale, supply and consumption of alcohol should be undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol should be minimised.

The Inspector has noted that he considers the applicant, Redoubt Enterprises, to be suitable to hold an on-licence. They have also noted that in their opinion the amenity and good order of the locality would be unlikely to be increased by more than a minor extent by the effects of a refusal to renew the licence.

I am satisfied as to those matters to which I must have regard and grant the renewal of the on-licence for a further three years.

The renewal certificate can be issued immediately.
